

Dear Store Manager,

As a loyal customer of yours, I am requesting that you carry The Good Bean snacks at your store. They're available at other retailers, but I'd love to purchase them here!

The Good Bean has a line of Roasted Chickpea Snacks, and Fruit & No-Nut Bars. All their products are gluten-free, nut-free, non-GMO, and full of protein and fiber. The Roasted Chickpeas are available in Sea Salt, Smoky Chili & Lime, Cracked Pepper, and Sweet Cinnamon. Don't forget about the Fruit & No-Nut Bars! They have Chocolate Berry, Apricot Coconut, and Fruit & Seed Trial Mix.

I think The Good Bean products would be perfect additions to your store, and I look forward to being able to buy them here!

Thanks!
